***The one price goes anywhere universal postal service is under threat**

***To protect your 6 day a week delivery we must protect the universal service**

***Unfair competition brings zero hour contracts and inferior terms & conditions**

FACT: *Royal Mail has standards set by Ofcom so they must deliver 9 out of 10 letters by the next day*

FACT: *TNT have no Ofcom set standards and will take longer to deliver your post*

FACT: *Royal Mail delivers to every address in the UK urban or rural*

FACT: *TNT will only deliver to urban areas for easy profit*

**FACT: *Communication Workers Union
Campaigning for the Regulator and
Government to ensure that all competition
is fair and all postal operators deliver to
the same delivery standards***
